

An Opportunity to Welcome Father Chahm Gahng

The rectory will again be home to our parish priest. It was vacated when Fr. Rick took residence at St. Mary's. As a result, the rectory was emptied of all its furnishings and those items need to be replaced.

To make it a warm and welcoming place for Fr. Gahng, we need to update and refurnish. We are offering parishioners an opportunity to help by placing collection containers in each entry. Your donations will be used to purchase needed items for the rectory. If you would prefer, you may drop your donation in the collection receptacle in an envelope marked "Rectory".

Your generous support will ensure a comfortable and welcoming home for Father Gahng as he ministers to St. Michael the Archangel Parish/ St. Ignatius and Holy Redeemer.

Thank you in advance and may God bless you.
